PROFILE

I've always been drawn to roles where I can be a jack-of-all-trades. I love the energy of interacting with customers, whether that's at a register or a restaurant table, but I also take pride in the behind-the-scenes work. I'm comfortable with inventory management, tracking data, and handling the financial basics. I guess you could say I'm that steady, reliable teammate who is just as happy running food as I am making sure the stockroom is in order.
